

CSS LED

Contractor Single Strip Light

The Easiest Strip to Order, Stock, and Install

CSS is the Lithonia Lighting® go-to Contractor Select™ Strip. It is built on the existing CDS framework with a beautiful diffuse single lens.

Ordering Made Easy

This is the perfect strip to order for almost any basic application. From residential workspace to commercial warehouse, the CSS features 4- and 8-foot configurations with up to 10,000 lumens, all DLC listed - providing versatility for many applications.

Stock 9 SKUs in 1

With the ability to switch lumens and adjust color temperature in one fixture, CSS can be adapted to the needs of each project – 9 different variations within the same SKU!

Installation Options

The CSS can be surface mounted, suspended or row mounted. Additionally, can be opened without any tools. The quick disconnects between the driver and the LEDs allow you to remove the LED tray so it doesn't interfere with installation.

Quick Facts:

- 4' and 8' lengths offering from 3,000-10,000 lumens
